

## ***IT4223 Web Development***

Using a JavaScript with HTML

Due: 2/20/03

Your Name:

The Assignment:

- Using your textbook's coverage of JavaScript (e.g., Part IV and Chapter 11) and any other appropriate textbook section or resource, develop a JavaScript and incorporate it into your Home Page HTML file.
- Why and when is using a JavaScript a good approach to Web Development? (Be explicit and detailed about your criteria and how an approach utilizing JavaScripts fulfills them for Web Development.)

Hints:

The url <http://tapestry.spsu.edu/drrich/classes/it4223/jshome.htm> contains a JavaScript.
